Executive Proclamation

State of South Dakota
Office of the Governor

Whereas, South Dakota was founded with hard work, perseverance, dedication to duty, and concern for others, and each of these attributes can be ascribed to Brad Schultz who is retiring from the state of South Dakota after serving over 40 years; and,

Whereas, Brad worked during his college days for South Dakota State University before moving to Pierre, South Dakota, where he worked in several programs for the Department of Environment and Natural Resources before settling in the Air Quality program where he earned his way to lead the air monitoring section in 1993 that achieved and maintains South Dakota's pristine air quality; and,

Whereas, Brad pursued and developed a continuous air monitoring network throughout South Dakota that allows the public easy access to air quality data in the area they live with a click of a button; and,

Whereas, Brad helped develop a Natural Events Action Plan that alerts Rapid City residents and businesses so they can take the necessary precautions when air quality in the area will be poor due to high winds and dry conditions; and,

Whereas, On June 8, 2017, Brad is retiring to spend more time with his wife and family and enjoy the extra time fishing, hunting, and traveling, and he will be missed by his friends and colleagues; and,

Whereas, It is fitting and proper as Governor to make special note of this outstanding South Dakotan on this momentous occasion:

Now, Therefore, I, Dennis Daugaard, Governor of the state of South Dakota, do hereby designate June 8, 2017, as
